Since the inception of the OBA in the late 1990’s, we have worked to represent businesses, professionals, financial institutions, arts groups, associated agencies, organizations, and private individuals who share an interest in promoting and doing business in the City of Oneonta. We serve as advocates for business interests and tourism of the city and promote Oneonta as a unique, thriving, small-town experience in north central Alabama. We strive to generate effective promotional ideas and events to maintain Oneonta's position as a great shopping and dining destination and provide opportunities for business owners and residents to participate in programs and events that support the quality of life in our community.

With great pride we announce our 2024 City of Oneonta Christmas Tree. This Tree serves as an anchor for our community and kickoff to the season. Our goal with this project is to further our free community Christmas calendar of events and increase local tourism in Oneonta, Alabama. With your sponsorship and partnership, the OBA is committed to growing our wholesome seasonal events so that all people can enjoy Christmas in our community.

Help us make this Christmas magical by partnering or sponsoring our community Christmas Tree!
